Hi Carl,

Yesterday Kenneth formatted this into a letter. Please see the attached. Is this all right to be sent electronically, or does it need to be mailed? Please let me know, and I can get this out soonest.

Thanks,

Lisa,

I am going to be on leave Dec 21 to Jan 4. If we want this to get this letter out before I go on leave we need XAs edits as soon as possible.

Stand by. I have some minor edits but waiting to send to you until David has a look. I would think the RPM, as the primary POC for the site, would send to the City.

Diane and Lisa,

Please find the attached edited and approved questions and answers to the City of Dallas request after Councilman Felder's monthly meeting. Please edit if necessary and approve. There are a few questions that were added on top of the original request that I took down when I staffed the meeting.

I am not sure who needs to forward along to the city, but I am available for further assistance if necessary. You can find the original request from the city below.

Thanks,

All,

I'm extending you invitations to our City Council meeting tomorrow at 9am. There is a resident on the agenda who will talk about Lane Plating. I'm prepared to answer questions on the City's behalf. It may be beneficial if someone from the EPA is in attendance.

Thank you,

**Subject:** District 7 Community Meeting w/ EPA (Lane Plating) - Joppa 11-29-18

Hello,

For your knowledge, I'm forwarding a list of citizen questions from our last Lane Plating meeting with the Joppa community. Some of the answers can be provided by other entities.

I have not heard from any citizens since our last meeting, but we will have at least one citizen speaking about Lane Plating at this week's City Council meeting (12/12).

Thanks,
